

## Declaration of Conformity

**Production:**

Multilayer and plastic pipes for plumbing and heating, such as in-house hot and cold water, floor and wall heating systems, radiator connections and for climate systems.

**Pipes:**Multilayer systems

- alpex-duo XS, PE-Xb/Al/PE, diameters from 16 up to 32
- alpex L, PE-Xb/Al/PE, diameters from 40 up to 75
- turatec multi, PE-RT/Al/PE-RT, diameters from 16 up to 32
- alpex-therm + alpex-therm XS, PE-Xb/Al/PE-Xb, diameters from 16 up to 26

Plastic pipes

- ff-therm multi, PE-Xa, diameters from 12 up to 25
- ff-therm multi, PE-RT, diameters from 16 up to 20
- ff-therm ML5, PE-Xb, diameters from 16 up to 32

**Producer:**

FRÄNKISCHE ROHRWERKE  
Gebr. Kirchner GmbH & Co. KG  
Hellinger Str. 1  
97486 Königsberg/Bayern

**Is in conformity with the following standards:**

- ISO 9001
- DIN EN ISO 15875
- DIN EN ISO 21003
- DIN 4726
- DVGW process sheet W542
- DVGW process sheet W534
- KTW recommendations

The product follows the provisions of the European Community directive no. 1935/2004, 2002/72/EC, 2004/1/EC and 2004/19/EC on the quality of drinking water.

**With the present certificate FRÄNKISCHE ROHRWERKE confirms that the output production, multilayer and plastic pipes, meet the requirements listed by the European Union and fulfill the standards of the European Union, the guarantee given to the products is for a period of 10 years under condition of observance by the consumer of rules of use, transportation, storage, installation and operation.**

**The guarantee extends on all arisen defects because of manufacturer.**

All multilayer and plastic pipes of FRÄNKISCHE are frequently tested according to national and European standards which require tests on the products under drastic conditions like high temperature and pressure.

With the achieved results, the durability of the products is determined by the calculation according to standardized and internationally recognized methods. For multilayer and plastic pipes of FRÄNKISCHE a durability of 50 years can be assumed.
